ADVANTAGES OF REGISTERING A COMPANY

1. LEGAL & CREDIBILITY BENEFITS

- Legal protection: Company is a separate legal entity. Personal assets protected from business debts/liabilities.
- Credibility: Clients, banks, and partners take a registered company more seriously.
- Brand ownership: You can legally protect your business name and logo.

2. FINANCIAL BENEFITS

- Access to funding: Banks, investors, and grants usually only fund registered businesses.
- Open a business bank account: Keeps personal and business finances separate.

3. GROWTH & CONTRACTS

- Bid for tenders: Government and corporate tenders require a registered company + tax clearance.

4. OPERATIONAL BENEFITS

- Easier to transfer/sell: You can sell the business or bring in investors.
- Professional image: Helps with marketing, partnerships, and winning bigger clients
